7 Participants (First 3 days): 3 Medical officers, 1 Lady Supervisor, 3others.

24 Participants (Last 3 days): Staff Nurses (ANNMCH medical college, Gaya)

This training course was started on 27th Jan. 2014. There were 7 participants who attended the training. The National trainers conducted training for 3days of 7 participants from District Gaya. The training was started with the pre evaluation test of participants. This training course was inaugurated by Dr. Alok Ranjan Nutrition Specialist UNICEF Bihar on 27th jan. 2014. The objective and the course content of the training were explained by Mr. Manish Kumar. For the last 4 days 24 staff nurses from same districts attend the training.

There was 7 days training which has 2 phases i.e. first phase was preparatory phase which comprises of 21 theoretical session, 2 clinical practice session, 2 practice session. These courses also have practical demonstration and role plays. Staff nurses joined on 4th day (30 Jan. 2014). And they were given the pre test. In preparatory phase there were 7 participants who were trained as a Middle Level Trainer (MLTs) and in participatory phase there were 24 staff nurse whose training was taken by these 7 MLTs under the National trainer's supervision.

Dr. Kamleshwar Mandal (Deputy Superintendent) chaired the Valedictory function along with DR. A.K. Ravi (HoD Paediatrics) on 2nd Feb. 2014. He appreciated the efforts done by BPNI in conducting this structured course, he suggested that such training should be conducted at regular interval and the benefits of these trainings must reach up to the family level through Staff nurse. At the end of the certificate were distributed to all the participants.
